£65,000 worth of prizes

Why you should join

St. Michael's has launched a new Hospice at Home service which supports patients in their own homes across the whole of North Hampshire. Each year it will cost around £200,000 to run the Hospice at Home service and the Lottery has been set-up specifically as a new source of income for this service. So by joining the Lottery you will be helping us to provide the best possible care for people at home with a life-limiting illness.

Not only is the lottery a great way to give regularly to St. Michael's Hospice and support an excellent service but you also have the added opportunity to share in the £65,000 worth of prizes that will be won every year by over 1,000 players. Every single prize is guaranteed to be won by someone!

All of our services are provided to patients and their families totally free of charge.
