

Please can you help? Fundraising activity for 2019

Please find below a list of collections and events planned for 2019 (other dates will be added throughout the year). If you are interested in volunteering at any of these please complete this form and send it back to me. I will contact you nearer the time of the event/collection. A huge thank you as always for all your help and support as without you, these fundraising activities would not be able to take place. We really appreciate all the help you can give.
