Help us care for local people with life-limiting illness

Why you should join

At **St. Michael's Hospice (North Hampshire)** we provide quality care for local people with a life-limiting illness through our In-Patient Unit, Day Care, Hospice at Home Service and growing range of Out-Patient services. It costs over £3m each year to provide these services to the community with only a small percentage of funding from the North Hampshire Clinical Commissioning Group. Your membership will help to support patients and families affected by life-limiting illness.

Not only is the lottery a great way to give regularly to St. Michael's Hospice and support an excellent service but you also have the added opportunity to share in the **£65,000** worth of prizes that will be won every year. Every single prize is guaranteed to be won by someone!
