

# Colour, Create, Collect & Donate

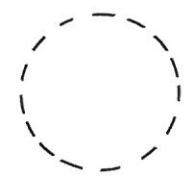

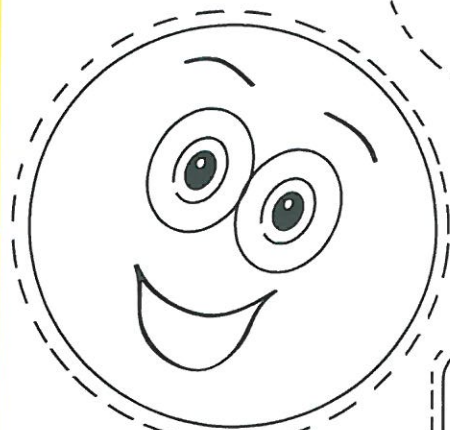

We have some St Michael's Hospice themed shapes for you to colour in and stick onto your Mickey Pot.

Remember you can decorate your pot anyway you like! You could put your name on it, stick feathers to the side, cover in paper or even cover the whole thing in glue and dip it in glitter!

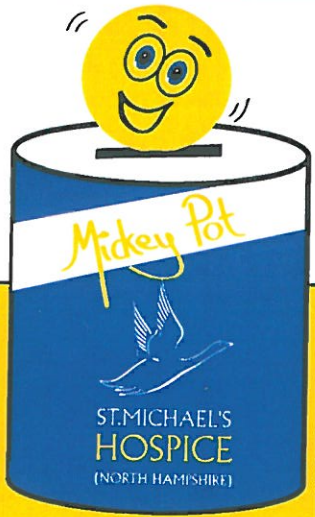

## COLOUR ME IN

### The 'Mickey Pot' Promise

I created my own 'Mickey Pot' and it was so much fun,  
I worked so hard collecting and now it weighs a tonne!  
I promised I would help, I promised I would try,  
Now my pot is full, its time to say goodbye.  
I'm donating to St. Michael's Hospice, that is my good deed,  
It feels so nice, it feels so great to be helping those in need.
