What 3 words

Please **download this app** prior to the event, as this will enable us to get to you quicker by knowing your exact location if you require any medical assistance during the event.

Clothing and Footwear

We advise that all participants bring a water bottle and wear long trousers as the route does occasionally involve walking through overgrown trees and shrubs. In addition, please make sure you are wearing appropriate footwear as the ground may be uneven, slippery, and muddy at times. There may also be overhanging branches in parts.

Roads

The route does include a couple of very short walks along roads which will be marshalled and/or signposted; please obey the Highway Code at all times.

Car Parking

Participants should use the main driveway entrance and park in the car park field labelled 'Event Parking' only in front of Worthing House and not in the gravel car parks to the right and left hand side of Worthing House as this is reserved for disabled spaces, staff and volunteers only. Participants are responsible for ensuring vehicles are moved off the premises by 12.00 on the 26th September. Any vehicles that remain parked after this time will be locked in overnight and the owner will be responsible for contacting Worthing House.

Dogs

Please ensure that you keep dogs on leads at all times, as you will have to cross a couple of roads and may also encounter livestock in the passing fields. Please collect any dog waste and place into a disposal bag, which you will need to provide. It is essential that your dog is fit and healthy before commencing the walk ensuring they are up to date with their vaccinations and not in season; also please ensure you have plenty of water for your dog.

Toilets

Toilets are only available at the start/finish of the walk. Please ensure children have used the facilities before they begin the walk.

Refreshments & Stalls

On your return to Worthing House, we invite you to join us for a hot/cold drink and a delicious bacon roll for a suggested donation to the Hospice, which is being kindly provided by More of the Good Stuff and Basingstoke and Deane Rotary Club. There will also be a few stalls for you to shop around.

Sponsorship

This year it will cost over £5.5 million to operate the Hospice and provide our services to our local community, with less than 20% funding from the North Hampshire Clinical Commissioning Group. The remaining funds comes from the kind donations made by people like you.

Therefore, you may wish to use this opportunity to raise extra funds for St. Michael's Hospice by raising sponsorship from family, friends, work colleagues and neighbours. Although we understand raising sponsorship can be difficult, if you are able to, this makes a huge difference to us as over 50% of the income generated from this event is generated through participant sponsorship. For more sponsorship tips and information, please see our fundraising toolkit.

On behalf of all our patients, their families and the dedicated staff and volunteers at the Hospice, thank you for taking part and choosing to support St. Michael's Hospice at a time when we have never needed you more!
